

Design an Easter flower full of symbols

What might be the most important parts of the Easter story for a Christian today? What do you think the story might mean to them, personally? Try to sum this up in about ten words.

Design an artificial flower that carries some of this message in its appearance. You will need to think about the number, colour and shapes of leaves, petals, sepals, stamen, stigma and other features.

Feature: Shape? How many? Colour?	My reasons
Leaves	
Petals	
Sepals	
Stamen	
Stigma
