Bible in Ten

Any book of the Bible cracked in ten minutes or less

David Kitchen

Pb, ISBN 978 1 80039 151 2, £12.99

Do you have ten minutes? Here are 67 short, sharp snapshots covering every corner of a book that people sometimes don't know quite as well as they think they do: all in ten minutes or less! It's a way into a volume that is often on the shelves but far less frequently taken off them. Brilliantly useful for casual browsers, new Christians, long-standing Christians, students, teachers, youth workers, church leaders... *Bible in Ten* begins with an illuminating overview of the whole Bible followed by summaries of each individual book: springboards for getting to know the whole story better. What you should have by the end is a much clearer idea of what the Bible contains and a sense of how beautiful, astonishing and unpredictable God's library is.

Praise for Bible in Ten

'I wish the brilliant *Bible in Ten* had been written sooner – it is fun, fresh and full of insight. Easy to read but with so much packed in. Whatever your biblical starting point, there's something of value for you. Dave Kitchen has put in the hard miles of study to give us a shortcut to understanding the big picture.' *Abby Guinness, head of Spring Harvest*

'Brilliant! So pithy and relevant... love those final paragraphs at the end of the chapter, communicating the very essence of the book.' *Rae Duke, broadcaster, teacher and podcast host*

'Such an exciting initiative. I love *Bible in Ten*.' *Rob Parsons, OBE*
