Christmas Voices Reflections, carols, poems and prayers for the festive season, with reflections

Claire Musters, with contributions from 40 friends

Pb, ISBN 978 1 80039 230 4, £9.99

This attractively illustrated Christmas gift book is full of treasures, making it perfect both to dip in and out of or to read daily during the Advent and Christmas season. It contains 25 Bible passages and reflections by Claire Musters, along with the favourite carols, hymns, poems and prayers of 40 contributors from diverse backgrounds and traditions: our 'choir' of Christmas voices. Covering the great Advent and Christmas themes of preparation, promise, joy, peace and love, it's full of inspiration, hope and encouragement and offers revealing, often moving insights, into the lives and faith of the host of contributors.

As Claire Musters writes in her introduction: 'Whether you're picking up this book at the beginning of Advent or reading it over Christmas itself, *Christmas Voices* offers a series of precious moments to reflect and rest in God's presence. We hope that all of these different voices, experiences and perspectives weave a satisfyingly rich tapestry, and that this book will be one you dip into time and again.'
