Get Messy! Volume 3 Growing Christian Values

Aike Kennett-Brown

Pb, ISBN 978 1 80039 333 2, £16.99

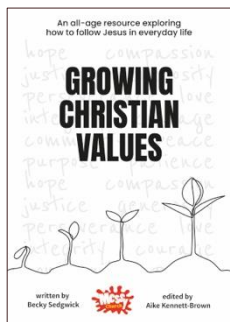

This new resource contains twelve session outlines for Messy Churches.

With themes of hope, compassion, peace, perseverance, love, integrity, purpose, justice and patience, Messy Churches can explore values that underpin a Christian way of life. This is the perfect follow-on material to *Get Messy! Volume 2: Christian basics made messy*.

Get Messy! Volume 3 has been created in partnership with FLOURISH, the Church of England initiative to plant new worshipping communities in schools. The thematic approach, looking at Christian values and way of life often covered by school Collective Worship in the UK, will enable Messy Churches that meet in schools to cover the same topic, but with the entire family.

The material also includes the key Christian festivals through the lens of the following values: Christmas – generosity; Easter – courage; and Pentecost – community.

Growing Christian Values

Messy Churches who wish to dig deeper into discipleship between Messy Church gatherings can use this complementary intergenerational resource, *Growing Christian Values*, to explore values that underpin a Christian way of life through faith-based conversations and activities in all-age groups.

Written in partnership with BRF Ministries Parenting for Faith team, *Growing Christian Values* complements the session material in *Get Messy! Volume 3*, so that the same topic can be explored between Messy Church gatherings but using different Bible passages, or it can be used on its own. It works well for family devotional time or any intergenerational group.

Available as separate sessions or the full course PDF.

About the authors

Aike Kennett-Brown is BRF Ministries Messy Church ministry lead.

Becky Sedgwick is BRF Ministries Parenting for Faith resources coordinator.
