## Church Partnership Manager

**Do you have a passion for the UK Church and would love to give your working time to help it effectively disciple people of all ages and stages of life?**

**Do you thrive within a multi-functional team, working with others towards an exciting and significant set of outcomes?**

At BRF Ministries, we believe the local church is a powerful partner in transforming lives and deepening Jesus centred discipleship, and this role is all about nurturing those connections and helping churches engage more deeply in our mission.

We are looking for someone who can initiate strong relationships and build effective partnerships with churches to support the implementation and scaling of BRF Ministries new Church Partnership Scheme.

The Church Partnerships Manager will ensure the smooth design and launch of our prototype Church Partnership Scheme and help shape the future of multi-generational discipleship within the local church context.

Whether it's helping to design discipleship journeys, equipping church leaders and speakers with discipleship resources, or building links with networks and dioceses, you'll play a key role in deepening relationships, and opening doors for people to get involved.

Our ideal candidate enjoys working relationally and strategically - someone who can spot opportunities, communicate clearly and inspirationally, and help bring our mission to life for a church community.

You'll be joining a collaborative and supportive team, where we celebrate generosity, share stories of transformation, and work together to grow impact. If you're passionate about the church, confident in your communication, and motivated by the chance to build meaningful partnerships, we'd love to hear from you.

This role will work across several teams and collaboration is key. We recognise that people work in different ways and from different places, so whilst primarily a remote working role, there will be scope for regular in person engagement. Structured time on-site at our office in Abingdon is available to those within commuting distance.

*Please note: this role has an Occupational Requirement for a Christian faith, in line with BRF Ministries vision and values.*

**Location** Remote with regular team days and UK travel.  
**Salary** £34,000  
**Hours** 37.5 hours per week (part time considered for the right candidate)

We welcome applicants from all backgrounds and communities, particularly those that are underrepresented within our staff team. This includes, but is not limited to, people from Black, Asian and other ethnic groups.

To apply, please send a current CV (2 pages max) and complete the application form and return to [peopleadmin@brf.org.uk](mailto:peopleadmin@brf.org.uk) before midnight on 2 April 2026.

By applying for this role, you agree to BRF Ministries processing your personal data supplied in your application for the purpose of recruitment and selection.
